Toronto

You'll discover that Toronto loves summer with many exciting experiences for families, couples and friends. The long roster of summer events feature everything from lively cultural and arts festivals, theatre, enchanting and engaging exhibitions and parades that bring Toronto's streets to life.

Toronto is a bustling urban metropolis, but also a city dedicated to its natural beauty. Take in the view from the world renowned CN Tower and you will see that Toronto is a surprisingly green city. Clusters of canopies formed by over 3 million old and fresh trees act as portals to the many green spaces to relax and enjoy the outdoors.

Globally inspired tastes characterize dining in cosmopolitan Toronto. From upscale gourmet to home-cooked comfort foods, savour the city's unique culinary diversity at any of the over 7,000 restaurants across Toronto's neighbourhoods.

Visit the Distillery District, a unique village of brick-lined streets and dozens of vibrantly restored Victorian Industrial buildings, home to live theatre, galleries, fashion & award-winning restaurants. Take the kids to the Hockey Hall of Fame or go back in time at the mysterious Casa Loma Castle. Enjoy a relaxing harbour cruise on the picturesque Lake Ontario, then sample the tastes and treats of the historic St Lawrence Food Market on a walking tour.

Come and discover Toronto this summer with the great package ideas we have for your friends & family.
